Other Activities

When you're celebrating the Feasts with children, it can be helpful to have some activities to help explain the Feasts and the terminology used regarding the Feasts.

If you are homeschooling around the time of the Feast of Trumpets, you could include some of these ideas in your school work.

Use this as an opportunity to explain some of the tricky words to your children.

Print out copies of the Word Search list on heavy paper or cardboard.

Use the to play a game of 'Yom Teruah' snap. You will need 4 copies.

(Google 'snap card game' if you're not sure how to play this.) It's a super simple game suitable for little children upwards.

Put the words in alphabetical order.

Play word dominoes with the words i.e. connect the words in a 'train'. Start with a word, then next word must start with the ending letter of that word, the next word starts with the ending letter of that word and so on until you can't continue.

Take a long word e.g. 'Reconciliation' and see how many words you can find within that word.
